

## Denial of Repairs

I, \_\_\_\_\_, have received an estimate for corrective repairs to replace the third-row outer seatbelts not related to my insurance claim. I understand the safety concerns with the damage to the third-row outer seatbelt assemblies found during my seatbelt inspection and I am denying Sudden Impact the authority to perform the repairs not related to my insurance claim. Sudden Impact cannot be held liable for any injury sustained due to the unrepaired damage as I do NOT want for Sudden Impact to replace the damaged seatbelts on my vehicle.
